

My family and I moved into the village 5 years ago and I currently have a daughter in Year 1 and a daughter who is due to start in Reception this coming September. I have been working in childcare and education for 14 years and during that time I have worked as a Nursery Practitioner, a Qualified Teacher in a Primary school, a Literacy Consultant supporting schools with phonics, reading and writing and I am currently working in a local Pre-School. I have really enjoyed being part of the school and wider village community since my daughter started at St James' and would like to support the school more in a Governor role.
