

MEDIUM TERM PLANNING: KS2

Title: Food Glorious Food!

Sparkly Starter:

Children will sample fruits from around the world and decide if they like them or not. They will think about why the fruits that grow around the world differ from each other.

WOW MOMENTS

Designing and making our own smoothies!
Making Easter treats to take home!
Investigating the science of food including making edible slime and bouncing eggs!

LITERACY:

Guided read focus:

I know that poetry comes in different forms

Non-fiction:

Explanation text

Fiction:

Nonsense poetry

SPAG:

I can use conjunctions, adverbs and prepositions in my writing to express time and cause.
I can add prefixes to form new words.

RE: What is 'good' about Good Friday?

MATHS: INSPIRE MATHS PROGRAMME

Unit 8: Solving word problems.

Unit 9: Mental calculations

Longitudinal learning:

Telling the time to the nearest minute.

Maths missions:

I know all my times tables up to the 12 times table.

GEOGRAPHY:

I can describe and understand key aspects of human geography, including the distribution of natural resources including energy, food, minerals and water.

I can identify the position and significance of longitude, the Equator, Northern Hemisphere, Southern Hemisphere and the Tropics of Cancer and Capricorn.

PSHE: Healthy Me

PE:

I have developed good flexibility, strength, technique, control and balance through a range of gymnastic and athletic activities.

SCIENCE:

I know that animals (including humans) need the right types of nutrition and they get nutrition from what they eat.
I know that humans and some other animals have skeletons and muscles for support, protection and movement.
When I build a food chain, I can tell you what are the producers, predators and prey.

D&T:

I understand seasonality and know where and how a variety of ingredients are grown, reared, caught and processed.
I understand and can apply the principles of a healthy and varied diet.

Fabulous Finish:

We will enjoy a morning at Pizza Express learning about how pizzas are made before having a go at making our own that we will take back to enjoy at school!
