

# Myths and Legends

## COMPLETED BY ALL:

Greek myths are full of weird and wonderful creatures! Design your own mythical creature. Which animals' body parts could you include in your design? What personality will your creature have? Make your creature using junk materials and give it a fabulous name! When you bring your creatures in we will be hanging them from the ceiling.

## CHALLENGES

Read and re-tell the story of Medusa, the Gorgon, who could turn people to stone if they looked at her.

Illustrate your story with a detailed drawing of Medusa's face showing her hair of venomous snakes.

Find out about famous Greek philosophers such as Plato, Aristotle, Archimedes and Pythagoras. How did their work influence life today?

Make a scrapbook using downloaded images and drawings and write informative sentences and captions.

Taste some traditional Greek dishes such as moussaka, figs, olives, goat's cheese or taramasalata.

Write a food review describing what you have eaten.

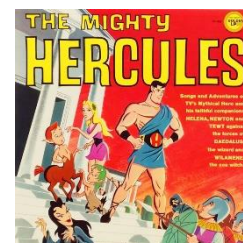

The Olympics started in Ancient Greece. Time yourself doing a certain sporting activity e.g. running 4 laps of the garden. Record your times over a week. Can you draw a bar chart of your results?

Be inspired by Greek art! Look at online examples of pottery and create your own design for an ancient Greek jug or bowl. Remember to use colours typical of Greek art such as black, white, red and yellow.

Go to the E2BN Myths and legends website and listen to Greek myths being read aloud. Can you create a comic strip of your favourite myth?
