

Parent Voice Learning Walk

Subject focus areas: grants and funding to improve the school

Date: 15/11/2017

Persons involved: Tracey Bailey, Sam Brierley, Dawn Hiatt, Jenny Wilkinson, Lynn Kane

Key Questions to consider;

- Where are the areas that are in need of refurbishment/ development?
- What would we like to do with these areas?
- Building work?
- Resources?
- Children's vision for the school? Pupil voice?

Key Strengths:

Areas which have been worked on are looking great
Classrooms are bright and spacious
Colourful wall displays/ artwork

Areas for development:

Carpets need replacing in classrooms

Hall could do with painting, as could many of the communal areas

Courtyard in need of development- doesn't fit with rest of the school

After school library sessions a couple of times a week- could this be open to the public at the same time?

Pond area need to be re-developed- great resource that is currently not used (safety?)

Canopies for outdoor areas

IT resources need to be added to- iPads, Laptops for library/ hall

Forest area- could be cleared by parent group over a weekend? Working party?
